Summary: It's the ultimate battle between to random fighters that YOU suggest! Come on over and watch as other people pit two fighters together and fight to the death!

Naruto Showdown!

Hey guys! It's me, VersusKage, and today, I'm here with a versus story.

You guys get to suggest a fight and I get to write it! There are a few rules, so just bare with me.

1. No dumb fights, like TenTen VS Madara or PTS Sakura VS Sage of Six Paths. Something more like Tobirama VS Hasirama.

2. No OCs UNLESS it's a special case.

3. Once I do your request, you must wait for atleast 3 chpters to post another one.

4. You are allowed to specify. Ex. Bijuu Mode Naruto or Alive Minato.

5. You're also allowed to pick where they will fight. Ex. Hokage's Mansion or Land of Waves.

**And that's it. I just wanted to set the ground rules for these fights. Also, before each fight, I will be putting a small background layout so it won't be a fight for no random reason. **

So I hope you put down a good fight that I can make and we can all have a good time!

End
